Dear MathCounts Supporter:

As probably already know, the MATHCOUNTS program consists of a series of mathematics competitions for 6th, 7th, & 8th-graders. Students at that age are offered a variety of academic, athletic, and social options unlike anything they had available in grade school. Decisions made during this time can have an impact on the rest of a student's life.

MATHCOUNTS exists to spark and maintain students' interest in mathematics, and hopefully to put them on a technical career path. In general, it aims to accomplish this by providing a challenging environment where the students can be recognized for their achievements, and have fun doing it. The "mathletes" we see each year are clearly thrilled to be able to participate, and I'm glad we can give them this opportunity to show their skills.

Please visit the MATHCOUNTS website at <http://mathcounts.org> to learn more.

The MATHCOUNTS program in Idaho is run entirely by volunteers, and we do it on a tight budget. Your support would be greatly appreciated. Contributions, which would be made out to the ISPE Foundation, would be completely tax-deductible, and could be designated for your local chapter's use.

If you are able to contribute this year, please fill out the bottom portion of this letter, and return it with your contribution. Thanks again for your support.

Sincerely,

Richard Feuerborn, P.E.
K&F Engineers, Vice-President
ISPE MathCounts Coordinator, SE Chapter

Complete this section for proper gift credit.

Donor Name(s): _____

Address: _____

City, State, Zip: _____

I/We enclose a gift of \$ _____ for the ISPE MATHCOUNTS program

- I/We would like to designate this gift to a specific chapter's MATHCOUNTS program.

Chapter: _____

- I/We would like to designate this gift to the State MATHCOUNTS program.

Please make your check payable to the **ISPE Foundation**. Your gift qualifies as a charitable tax deduction as allowed by law. We will send an acknowledgment to confirm receipt of your gift.

- Please contact me; I'd like to get involved in MATHCOUNTS.
Daytime Phone: _____

Would you consider a bequest?

- Please send information about including a bequest in my will.
- I have included the ISPE Foundation in my will.
